

This is Service Agreement Version Number 7.8

1. INTRODUCTION. In this Service Agreement ("Agreement"), "you" and "your" refer to each customer ("Customer") and its agents, including each person listed in your account information as being associated with your account, and "we", "us" and "our" refer collectively to Network Solutions, LLC and its wholly-owned subsidiaries ("Network Solutions"). This Agreement explains our obligations to you, and your obligations to us in relation to the Network Solutions service(s) you purchase. By purchasing or otherwise applying for Network Solutions service(s), you agree to establish an account with us for such services. When you use your account or permit someone else to use your account to purchase or otherwise acquire access to additional Network Solutions service(s) or to modify or cancel your Network Solutions service(s) (even if we were not notified of such authorization), this Agreement as amended covers any such service or actions. Additionally, you agree that each person listed in your account information as being associated with your account for any services provided to you (including, but not limited to, domain name registration services) is your agent with full authority to act on your behalf with respect to such services in accordance with the permissions granted, and that the Primary Contact and Account Administrative Contact for your account shall have the authority, without limitation, to terminate, transfer (where transfer is permitted by the Agreement), or modify such services or your account information, or purchase additional services. Any acceptance of your application(s) or requests for our services and the performance of our services will occur at our offices in Herndon, Virginia, the location of our principal places of business. Except as otherwise expressly set forth in this Agreement, you agree that if you list, directly or by default, Network Solutions as a contact for your account and/or any of the services in your account, we have the right, without notice, to remove our name and/or information from any such account or service and to replace the same with the name and/or information provided by you for any other contact associated with that account or service.

2. VARIOUS SERVICES. Sections 1 through 30 apply to any and all Network Solutions services that you purchase. The terms and conditions set forth in the Schedules of this Agreement apply only to customers who have purchased the Network Solutions services referenced in those Schedules. In the event of any inconsistency between the terms of Sections 1 through 30 and the terms of the Schedules, the terms of the Schedules shall control with regard to the applicable Network Solutions service. **IMPORTANT NOTICE CONCERNING BUNDLED SERVICES:** If you purchase Network Solutions services that are sold together as a "bundled" package (e.g., you select a Web Site package that includes both a domain name and a Network Solutions Web Site, as opposed to your purchasing such services separately), termination of any part of the services will result in termination of all Network Solutions services provided as part of the bundled package. Please see Section 10(d) of this Agreement for more information. You acknowledge and agree that some or all of the services you purchase or receive from us may be provided by one or more vendors, contractors or affiliates selected by Network Solutions in its sole discretion.

3. FEES, PAYMENT AND TERM OF SERVICE. As consideration for the services you purchased, you agree to pay Network Solutions the applicable service(s) fees set forth on our Web site at the time of your selection, or, if applicable, upon receipt of your invoice from Network Solutions. All fees are due immediately and are non-refundable, except as otherwise expressly noted in one or more of the Schedules to this Agreement or as such fees are billed by Network Solutions under an invoice to a Customer that expressly permits payment for Services by a Customer within thirty (30) days after Network Solutions has sent the Customer such invoice ("Net-30 Customers"). Network Solutions may require a Customer to successfully complete a credit application prior to such Customer qualifying to become a Net-30 Customer. Customers who purchase Service(s) through outbound telemarketing and request cancellation of Service(s) within ten (10) days of purchase are entitled to a refund of all fees. If you qualify, we may extend payment terms to you under our Business Account Credit Program. Network Solutions will charge you a processing fee if you terminate or cancel any package prior to the completion of any limited money-back guarantee time period for that package or service (the "Processing Fee"). A Processing Fee of \$29.95 will be charged for the cancellation of any one-year annual package. The Processing Fees for cancellation of multi-year packages will be: \$24.95 per year for two-year packages, \$19.95 per year for three-year packages, \$14.95 per year for five-year packages and \$9.95 per year for ten-year packages. Unless otherwise specified herein or on our Web site, each Network Solutions service is for a one-year initial term and renewable thereafter for successive one to ten-year terms, as set forth during the renewal process. Any renewal of your services with us is subject to our then current terms and conditions, including, but not limited to, successful completion of any applicable authentication procedure, and payment of all applicable service fees at the time of renewal and in the case of domain name re-registration, the domain name registry's acceptance of your domain name registration. Except with respect to service to which you subscribe on a monthly basis, we will endeavor to provide you notice prior to the renewal of your services at least fifteen (15) days in advance of the renewal date. Additional payment terms may apply to the Network Solutions services you purchase, as set forth in the applicable Schedules to this Agreement. We may provide you with an opportunity to "opt in" to our automatic renewal process in accordance with the instructions (and subject to your agreement to the terms and conditions pertaining to that process) on our Web site. You agree that if you use of our auto-renew service, we will attempt to renew your service approximately sixty (60) days prior to its expiration, for

the same term then-currently in place for the service, and at the then-current price for the service. You acknowledge and agree that the renewal price may be higher or lower than the price you paid for the then-current term of the service, and that we are authorized to charge your credit card on file for the renewal of the service(s). In any event, you are solely responsible for the credit card information you provide to Network Solutions and must promptly inform Network Solutions of any changes thereto (e.g., change of expiration date or account number). In addition, you are solely responsible for ensuring the services are renewed. Network Solutions shall have no liability to you or any third party in connection with the renewal as described herein, including, but not limited to, any failure or errors in renewing the services. In order to process a renewal under our auto-renew service, we may use third-party vendors for the purpose of updating the expiration date and account number of your credit card on file. Such third-party vendors maintain relationships with various credit card issuers and may be able to provide us with the updated expiration date and account number for your credit card by comparing the information we have on file with the information the third-party has on file. By selecting our auto-renew service, you acknowledge and agree that we may share your credit card information with such a third-party vendor for the purpose of obtaining any update to your credit card expiration date and account number. You agree to pay all value added, sales and other taxes (other than taxes based on Network Solutions income) related to Network Solutions services or payments made by you hereunder. All payments of fees for Network Solutions services shall be made in U.S. dollars. Set up fees, if any, will become payable on the applicable effective date for the applicable Network Solutions services. All sums due and payable that remain unpaid after any applicable cure period herein will accrue interest as a late charge of 1.5% per month or the maximum amount allowed by law, whichever is less. In the event of non-payment by a Net-30 Customer on any amount of any invoice, Network Solutions reserves the right to refer such invoice and Net-30 Customer to a collection agency in order for Network Solutions to secure payment on the invoice. Network Solutions may terminate any or all of the Services of a Net-30 Customer who fails to pay an invoice in a timely fashion. Network Solutions may charge a late fee(s) to Net-30 Customers for late payment of an invoice or a reinstatement fee(s) to Net-30 Customers who wish to reinstate Service(s) that have been terminated due to non-payment.

We rely on this information to send you important information and notices regarding your account and our services. SCHEDULE A TO NETWORK SOLUTIONS SERVICE AGREEMENT

ADDITIONAL TERMS APPLICABLE TO REGISTRANTS OF DOMAIN NAMES

1. **Security.** Network Solutions does not guarantee the security of your domain name registration records, and you assume all risks that the password and/or passphrase you select may be compromised as a result of fraudulent, unauthorized or illegal activity.

2. **Fees and Payment.** Initial domain name registrations, and domain name registrations that have passed the registration agreement's anniversary date, must be in a paid status to transfer, delete, modify, or

otherwise to request Network Solutions to affect the domain name record or to provide domain name services. Domain name registrations in an unpaid status are routinely deleted on a regular basis.

3. Transfers and Licensing of Use. You agree that you may not transfer your domain name registration to another domain name registrar during the first sixty (60) days from the effective date of your initial domain name registration with us. In addition, you agree that you may not transfer your domain registration to another domain name registrar for sixty (60) days after there has been a change in your Primary Contact information or WHOIS Administrative Contact information for your account(s). You may transfer your domain name registration to a third party of your choice, subject to the procedures and conditions found at:

<http://www.networksolutions.com/legal/static-service-agreement.jsp#mca>, incorporated herein by reference. Even if you license the use of our domain name registration services to a third party, you remain responsible for complying with all terms and conditions of this Agreement, and you accept liability for harm caused by such licensee's wrongful use of our domain name registration services, unless you promptly disclose the identity of such licensee upon request by any person who provides reasonable evidence of actionable harm.

4. Network Solutions' Disclosure of Certain Information. Subject to the requirements of our privacy statement, in order for us to comply the current rules and policies for the domain name system, you hereby grant to Network Solutions the right to disclose to third parties through an interactive publicly accessible registration database the following mandatory information that you are required to provide when registering or reserving a domain name: (i) the domain name(s) registered by you; (ii) your name and postal address; (iii) the name(s), postal address(es), e-mail address(es), voice telephone number and where available the fax number(s) of the technical and administrative contacts for your domain name(s); (iv) the Internet protocol numbers of the primary nameserver and secondary nameserver(s) for such domain name(s); (v) the corresponding names of those nameservers; (vi) the original creation date of the registration; and (vii) the expiration date of the registration. You also grant to Network Solutions the right to make this information available in bulk form to third parties who agree not to use it to (a) allow, enable or otherwise support the transmission of mass unsolicited, commercial advertising or solicitations via telephone, facsimile, or e-mail (spam) or (b) enable high volume, automated, electronic processes that apply to our systems to register domain names.

5. Domain Name Dispute Policy. If you registered a domain name through us, you agree to be bound by our current domain name dispute policy that is incorporated herein and made a part of this Agreement by reference. The current version of the domain name dispute policy may be found at our Web site:

<http://www.netsol.com/legal/dispute-policy.jsp>. In the event of any inconsistency between the provisions in this Agreement and those in the domain name dispute policy, the provisions of this Agreement shall prevail.

6. Domain Name Dispute Policy Modifications. You agree that we, in our sole discretion, may modify our dispute policy. We will post any such revised policy on our Web site at least thirty (30) calendar days before it becomes effective. You agree that, by maintaining the reservation or registration of your domain name after modifications to the dispute policy become effective, you have agreed to these modifications. You acknowledge that if you do not agree to any such modification, you may terminate this Agreement. We will not refund any fees paid by you if you terminate your Agreement with us.

7. Domain Name Disputes Brought by Third Parties. You agree that, if your use of our domain name registration services is challenged by a third party, you will be subject to the provisions specified in our dispute policy in effect at the time of the dispute. For the adjudication of any disputes brought by a third party against you concerning or arising from your use of a domain name registered with us or your use of our domain name registration services, you (but not Network Solutions) agree to submit to subject matter jurisdiction, personal jurisdiction and venue of the United States District Court for the Eastern District of Virginia, Alexandria Division and the courts of your domicile. You agree that in the event a domain name dispute arises with any third party, you will indemnify and hold us harmless pursuant to the terms and conditions set forth below in this Agreement. If we are notified that a complaint has been filed with a judicial or administrative body regarding your use of our domain name registration services, you agree not to make any changes to your domain name record without our prior approval. We may not allow you to make changes to such domain name record until (i) we are directed to do so by the judicial or administrative body, or (ii) we receive notification by you and the other party contesting your registration and use of our domain name registration services that the dispute has been settled. Furthermore, you agree that if you are subject to litigation regarding your registration and use of our domain name registration services, we may deposit control of your domain name record into the registry of the judicial body by supplying a party with a registrar certificate from us. You agree that we will comply with all court orders, domestic or international, directed against you and/or the domain name registration.

8. No Guaranty. You agree that, by registration of your chosen domain name, such registration does not confer immunity from objection to either the registration or use of your domain name.

9. Revocation. You agree that we may suspend, cancel or transfer your services, including, but not limited to, domain name registration services in order to: (i) correct mistakes made by us, another registrar or the registry in registering your chosen domain name, or (ii) to resolve a dispute under our domain name dispute policy.

(iii) The Restrictions Dispute Resolution Criteria and Rules, available at <http://www.neulevel.com/countdown/rdrp.html>.

If at the time of your application for services in the .biz TLD, any of the above policies or rules (collectively "biz Policies") have not yet been approved by ICANN (which may mean the .biz Policies are not available for viewing via live hyperlinks above), you agree to be bound by the terms of such .biz Policies upon such approval and in the final form approved by ICANN, as posted on our Web site or the ICANN Web site (located at www.icann.org). You agree that, by maintaining the services provided hereunder (which may include registration of a domain name) after such posting of any of the ICANN approved .biz Policies, you have agreed to the terms and conditions of the same. You acknowledge that if you do not agree to the .biz Policies, you may terminate this Agreement. We will not refund any fees paid by you if you terminate your Agreement with us.

3. Registry Actions or Inactions. Our ability to provide services to you depends in part upon the provision of services by third parties, such as the .biz registry. We cannot control and will not be responsible for the actions or inactions of such third parties. For example, the .biz registry has reserved the right to deny, cancel or transfer any domain name registration under certain circumstances. You acknowledge and agree that we shall not be liable to you or any other party in connection with claims, damages, losses, expenses or costs incurred or suffered by you as a result of actions taken or not taken by third parties, including, but not limited to, the .biz registry.

4. Multiple Phases of Services. Your application or registration (whether successful or not) for any .biz registry or .biz TLD services hereunder does not guarantee, and we do not promise, that you will be approved or eligible for any other services available or that may become available through us or any third party. For example, certain services in the .biz TLD are provided in sequential phases, and participation in one phase, does not automatically qualify you for participation in other phases, and any further participation is not automatic. The .biz registry, and not Network Solutions, determines the dates and times associated with the various service phases available in the .biz TLD. You agree to review and become familiar with the information available on our Web site and on the .biz Web site concerning the various phases and descriptions of services available in connection with .biz TLD, and to regularly check for modifications and/or updates to such information, as the same may change from time to time. You agree that you are solely responsible for applying and/or registering for the service phases you desire to participate in. Additionally, you acknowledge and agree that submission of an application for domain name registration or any other services, does not guarantee that you will ultimately be the registrant for a particular domain name, even if you participated in some other service associated with the domain name, such as an intellectual property notification service or similar service.

5. Additional Acknowledgments Concerning Customer Information. You also acknowledge and agree that Network Solutions will share with the .biz registry certain information submitted by you in your application(s) for our services, as required by our agreement(s) with the .biz registry or to provide the services you have applied for. You acknowledge and agree that any information we share with the .biz registry may be used by them to fulfill the .biz registry's service obligations to us or any third party. You hereby grant us and the .biz registry a limited, royalty-free, non-exclusive worldwide license to use all of the data contained in a Trademark.

6. Disclaimer Concerning Intellectual Property Notification Service. Your participation in an intellectual property notification service or similar service DOES NOT PROVIDE YOU WITH ANY INTELLECTUAL PROPERTY PROTECTIONS OR REGISTRATIONS, NOR DOES IT PROVIDE YOU WITH ANY RIGHTS TO ANY PARTICULAR DOMAIN NAME REGISTRATION. THIS IS A NOTIFICATION SERVICE ONLY. EVEN IF YOU PARTICIPATE IN THIS SERVICE, YOU MUST STILL SUBMIT AN APPLICATION FOR DOMAIN NAME REGISTRATION SERVICES TO BE ELIGIBLE TO BECOME THE REGISTRANT FOR THE DESIRED DOMAIN NAME(S).

7. Survival of Terms. You agree that the indemnity provisions set forth in this Schedule shall survive any termination of the Agreement.

8. Terms of Use for IP Claim Service. The following additional terms apply specifically to the Intellectual Property Claim Service (in this Section 8 of this Schedule, the "Claim Service") made available in the .biz TLD. For purposes of this Section 8, "Owner" shall mean the owner of a registered or common law trademark or service mark and "Agent" shall mean the duly authorized agent of an Owner (collectively "You"), and "Registrar" shall mean Network Solutions. These Terms of Use will continue to apply to all past use of the Claim Service by You, even if You are no longer using the Claim Service. You acknowledge and agree that Registrar may terminate or block Your use of all or part of the Claim Service without prior notice for any reason, including, without limitation, if Registrar believes You have engaged in conduct prohibited by these Terms of Use.

(a) The Claim Service. Registrar provides the Claim Service to holders of both registered and common law trademarks or service marks (collectively "Trademarks"). During the domain name application process, applicants for a .biz domain name ("Applicants") will be notified of an Owner's alleged intellectual property rights in a Trademark if the domain name contained in the domain name application is an exact match of the

Trademark identified in an IP Claim (as defined below) submitted by Owner. You may review frequently asked questions regarding the Claim Service by reviewing our FAQs.

(b). License to Use Data / Privacy. By submitting an IP Claim, You hereby grant Registrar, as well as any of its agents or subcontractors, and the .biz registry, a limited, royalty-free, non-exclusive worldwide license to use all of the data contained in the IP Claim solely for the purposes of implementing the Claim Service, processing Your IP Claim, notifying Applicants of Your IP Claim, and for notifying You of changes to the Claim Service, and for archival purposes.

(c). The IP Claim Process. In order to submit a claim with respect to a Trademark or Trademarks ("IP Claim") through the Claim Service, You must complete an IP Claim form for each Trademark. For each IP Claim, You must submit complete contact information, representative contact information and notification details, and the details regarding the Trademark. You may specify in the representative field that an Agent may receive legal correspondence regarding the IP Claim. Once You have submitted an IP Claim, you will receive a confirmation email and a claim number. You must retain the claim number for each IP Claim You submit. Registrar will accept IP Claims until July 9, 2001, or such later date as it may determine in its sole discretion ("Close of Phase I") and no IP Claims will be accepted after that date. From the Close of Phase I until September 25, 2001 ("Phase 2"), or such other later date as Registrar may choose, in its sole discretion, the domain name applications from ICANN-approved registrars ("Applications") will be compared with the database of IP Claims processed through the Claim Service ("IP Claim Database"). For each exact match between an IP Claim in the IP Claim Database and a domain name application, the Registry Operator for .biz ("Registry Operator") will notify the Applicant that a third party or third parties have submitted an IP Claim for the exact Trademark. The email notification to the Applicant will include, among other things, the information provided by Owner in the IP Claim, instructions on how to proceed with the registration process, and that if selected during the randomized name selection phase ("Name Selection Phase"), the domain name will be placed on a temporary thirty (30) day hold when the Registry goes "live." The Applicant will have the option to proceed with the Application or cancel the Application. If the Applicant does not respond to the email notification, or elects to cancel the Application, the Applicant's domain name application will not be processed during the Name Selection Phase. If the Applicant chooses to proceed with the registration process and the name is selected during the Name Selection Phase, that domain name automatically will be placed on a thirty (30) day "hold period" when the name is registered. After Name Selection, the Owner will be notified by Registry Operator if an Applicant has successfully registered the domain name. The Owner will then have the option of contacting the Applicant and finding a solution or using the guidelines set forth by a special dispute resolution process called the Start-up Trademark Opposition Policy ("STOP") (formerly referred to as the Start-up Dispute Resolution Policy or "SUDRP") (information available at <http://www.newlevel.com/countdown/stop.html>), or the Uniform Domain-Name Dispute Resolution Procedures ("UDRP") (information is available at <http://www.icann.org/udrp/udrp-policy-24oct99.htm>). You will not be notified if there are no Applications that exactly match an IP Claim You submitted in the IP Claim Database.

USE OF THE SERVICE DOES NOT GUARANTEE THAT AN OWNER WILL BE AWARDED THE .BIZ EXTENSION FOR ITS TRADEMARK. AN OWNER THAT WISHES TO OBTAIN A .BIZ EXTENSION FOR ITS TRADEMARK MUST FILE A DOMAIN NAME APPLICATION. DOMAIN NAME APPLICANTS WILL ONLY BE NOTIFIED OF APPLICATIONS THAT ARE EXACT MATCHES WITH A TRADEMARK IDENTIFIED IN AN IP CLAIM FORM. REGISTRAR WILL NOT VERIFY WHETHER A TRADEMARK CLAIMED ON AN IP CLAIM FORM CORRESPONDS WITH AN ACTUAL, LEGAL OR VALID TRADEMARK, NOR WILL REGISTRAR PROVIDE ANY LEGAL OVERSIGHT OR ADJUDICATION FOR ANY DISPUTED INTELLECTUAL PROPERTY IMPLICATED BY THE SERVICE.

(d). Conduct. You agree to be bound by the applicable provisions of the Network Solutions Acceptable Use Policy, incorporated herein and made part of this Agreement by reference, in connection with your use of the services described in this Schedule.

(e). Fees. As consideration for the Claim Service, Registrar, or its agents or subcontractors may require you to submit and pay for each IP Claim individually or it may allow you store up a certain number of IP Claims before submitting them for processing. Once you have stored that number of IP Claims, you may not be able to store any additional IP Claims and may need to submit them for processing and pay the applicable fee before obtaining additional storage space. No refunds are permitted.

(f). Links. Some links on the Claim Service lead to sites posted by independent site owners. Because Registrar has no control over these sites, it cannot be responsible for such sites' accessibility via the Internet and does not endorse products, services, or information provided by such sites. As such, Registrar shall not be responsible or liable, directly or indirectly, for any damage or loss caused or alleged to be caused by or in connection with, use or reliance on any content, goods or services available on or through any other site. Further, the inclusion of these links does not imply that the other sites have given permission for inclusion of these links, or that there is any relationship between Registrar and the linked sites.

(g). Modifications to the Claim Service. Registrar reserves the right at any time and from time to time to modify or discontinue, temporarily or permanently, the Claim Service (or any part thereof) with or without

notice. You agree that will not be liable to You or to any third party for any modification, suspension, or discontinuation of the Claim Services.

(h). Third Party Beneficiary. Registry Operator ("NeuLevel") is an intended third party beneficiary of these Term and Conditions with rights to enforce these Terms of Use. You will cooperate in good faith with NeuLevel or Registrar in investigating instances of non-compliance with these Terms of Use, if NeuLevel or Registrar believes in good faith that you are not in compliance with these Terms of Use.

(i). You agree that Registrar and Registry Operator are not responsible for checking, verifying or editing message content or completeness, or for detecting errors or anomalies, or for recreating or re-transmitting data.

SCHEDULE D TO NETWORK SOLUTIONS SERVICE AGREEMENT

ADDITIONAL TERMS APPLICABLE TO SERVICES IN CONNECTION WITH .INFO TLD.

In addition to the terms set forth in Schedule A above, the following terms shall apply to .info domain names.

1. Additional Provisions. You acknowledge and agree to the following: (i) you acknowledge and agree that Network Solutions will share with the .info registry certain information submitted by you in your application(s) for our services, and you consent to the use, copying, distribution, publication, modification and other processing of your personal data by the .info registry and its designees and agents in connection with the .info registry's service obligations to us or third parties, or as otherwise deemed necessary by the .info registry; (ii) you agree to submit to proceedings commenced under the Uniform Domain Name Dispute Resolution Policy ("UDRP") and the Sunrise Dispute Resolution Policy ("SDRP") (available at <http://www.afilias.info/faq/sunrise-challenge.html>), as these may be modified from time to time; (iii) you agree to immediately correct and update the registration information for any domain name registered hereunder during the registration term for such registered domain name; and (iv) you acknowledge that the .info registry will have no liability of any kind for any loss or liability resulting from the proceedings and processes relating to the Sunrise Period or the Land Rush Period, including, without limitation: (a) the ability or inability of a registrant to obtain a registered domain name during these periods, and (b) the results of any dispute over a "Sunrise Registration."

If at the time of your application for services in the .info TLD, the SDRP has not yet been approved by ICANN (which may mean the SDRP is not available for viewing via live hyperlink above), you agree to be bound by the terms of the SDRP upon such approval and in the final form approved by ICANN, as posted on our Web site or the ICANN Web site (located at <http://www.icann.org>). You agree that, by maintaining the services provided hereunder after such posting of any of the ICANN approved SDRP, you have agreed to the terms and conditions of the same. You acknowledge that if you do not agree to the SDRP, you may terminate this Agreement. We will not refund any fees paid by you if you terminate your Agreement with us.

2. Registry Actions or Inactions. Our ability to provide services to you depends in part upon the provision of services by third parties, such as the .info registry. We cannot control and will not be responsible for the actions or inactions of such third parties. For example, the .info registry has reserved the right to refuse or cancel any Sunrise Registration at any time and to request additional information relating to a Sunrise Registration. You acknowledge and agree that we shall not be liable to you or any other party in connection with claims, damages, losses, expenses or costs incurred or suffered by you as a result of actions taken or not taken by third parties, including, but not limited to, the .info registry.

3. No Guarantee on Registration. The .info registry, and not Network Solutions, determines the dates and times associated with the various service periods available in the .info TLD. You agree to review and become familiar with the information available on our Web site and on the .info Web site concerning the various periods and descriptions of services available in connection with .info TLD, and to regularly check for modifications and/or updates to such information, as the same may change from time to time. You agree that you are solely responsible for applying and/or registering for the service periods you desire to participate in. You acknowledge and agree that submission of an application for domain name registration or any other services (regardless of when submitted), does not guarantee that you will ultimately be the registrant for a particular domain name.

4. Disclaimer Concerning Intellectual Property Protection. Your application for a Sunrise Registration DOES NOT PROVIDE YOU WITH ANY INTELLECTUAL PROPERTY PROTECTIONS OR REGISTRATIONS.

SCHEDULE E TO NETWORK SOLUTIONS SERVICE AGREEMENT

ADDITIONAL TERMS APPLICABLE TO SERVICES IN THE .EU TLD

In addition to the terms set forth in Schedule A above, the following terms shall apply to .EU domain names:

1. Eligibility Requirements. You represent and warrant that every registration you are applying for in the .EU top-level domain ("TLD") satisfies the eligibility requirements ("Eligibility Requirements") established by .EU TLD administrator, European Registry for Internet Domain Names vzw/asbl ("EU Registry"), which are available at the following URL: <http://www.eurid.eu/en/general/howToGetEuDomainName>.

2. Nexus Requirements/Certification. You certify that you have and shall continue to have a lawful bona fide European Union nexus, as required by .EU Registry, and that you meet at least one of the .EU nexus

requirements ("EU Nexus Requirements") set forth below (and as represented by you in the pre-registration application information provided by you to Network Solutions). You must be (and you certify that you are) either: a) an undertaking having their registered office, central administration or principal place of business within the European Community; b) an organization established anywhere within the European Community; or c) a natural person resident within the European Community.

3. Your Obligation to Satisfy Nexus Requirement. You acknowledge and agree that it is your responsibility, through the registration process (and, if applicable, as required during your registration term), to provide the information necessary to satisfy the .EU Nexus Requirements, and that a failure by you to satisfy the .EU Nexus Requirements may result in, among other things, (i) the domain name pre-registration application(s) being rejected by Network Solutions and/or the .EU Registry, (ii) the domain name(s) being placed on "hold" by Network Solutions and/or the .EU Registry, and/or (iii) the domain name(s) being deleted by Network Solutions and/or the .EU Registry. Neither Network Solutions nor the .EU Registry (nor any other entity or person) shall be liable to you for any actions or inactions of any of them resulting from your failure to provide all required .EU Nexus Requirements information at the time of pre-registration (or, where applicable, during your registration term), and none of them shall have any obligation to request or attempt to obtain from you additional information to establish your compliance with the .EU Nexus Requirements, even if the need for such information is known by any of them.

4. Pre-Registration. When you submit a .EU pre-registration request, you are authorizing us to attempt to obtain a domain name in the .EU TLD (as described on our Web site and herein) for you if and when .EU Registry launches its sunrise and open-registration period (the "go-live date"). On the go-live date, Network Solutions will submit all pre-registration requests during the sunrise and open registration period and the .EU Registry will review all proposed registration requests on a first come, first serve basis.

5. Third Party Rights. By submitting your pre-registration or other registration request, you certify that your request is made in good faith and does not infringe any rights of a third party.

6. Phase One and Two Requirements. By submitting a pre-registration request for Phase One or Phase Two of the .EU Registry's sunrise periods you certify that you have a prior right or are a public body as defined by EC No. 874/2004 Article 10(1) (April 28, 2004). You also agree to submit the necessary verifiable documentation required by .EU Registry in order to demonstrate that you are a public body or have a prior right. You acknowledge that .EU Registry, or its designee, shall decide at its own discretion whether any documentation you may submit verifies your right to register a domain name(s).

7. Charges. By submitting your .EU pre-registration request, you authorize us to charge you for any proposed registrations we undertake on your behalf that are submitted to .EU Registry. You will be charged during the sunrise or open registration period when .EU Registry is reviewing your proposed registration prior to their final approval. Proposed sunrise registration requests that are rejected by .EU Registry will still be charged an administrative fee that will not be refunded to you. Sunrise fees, registration fees and other applicable fees may also apply and be charged to your credit card after the sunrise period begins if your proposed registration is accepted and processed by .EU Registry. Upon .EU Registry's acceptance of a proposed registration request for a domain name(s), the full registration fee will automatically be charged to the credit card that you used for placing your pre-registration request. Successful .EU registration requests will be subject to the terms of the Agreement, including this Schedule.

8. Ban on and Revocation of Certain Domain Names. You agree that .EU Registry has identified certain domain names that can not be registered during the sunrise and open registration process. You further accept that .EU Registry and Network Solutions reserves the right to deny pre-registration requests that .EU Registry or an EU Member State considers to be defamatory, racist, or contrary to public policy. You understand that .EU Registry may also revoke a domain name at its own initiative for a variety of reasons including but not limited to nonpayment of fees or failure to meet .EU Nexus Requirements.

9. Your Other Obligations. You agree to accept the terms of the .EU Registry's agreement with Network Solutions. You acknowledge that the .EU Registry's terms and conditions related to the sunrise and open registration period as well as its fees have not been determined by .EU Registry. You agree that when the .EU Registry establishes its terms and conditions for the sunrise and open registration period you will be bound by and will abide by those terms and conditions. If you do not agree to any of the terms and conditions that are established by the .EU Registry, you may expressly terminate this Agreement.

10. Contact Information Requirements. You agree to keep all contact information contained related to your pre-registration request for a domain name(s) current so that we can contact you for any reason or so the .EU Registry's can contact you for any reason, including, but not limited to, any participation in a validation process for a domain name(s) during the sunrise or open registration period. We take no responsibility in providing the .EU Registry with any e-mail address other than what you provide in your pre-registration request. It is your obligation to keep all contact information, including all e-mail addresses, related to your pre-registration request current.

11. Validation Process. You agree that we shall have no liability to you or other third parties for anything related to the .EU Registry's validation process for a proposed registration request that we have submitted and is pending final .EU Registry approval. You acknowledge and agree that it is your responsibility to

ensure that you meet all of the requirements that are involved in .EU Registry's validation process for your proposed registration request for a domain name(s). You agree that we are not responsible or liable in any way if your proposed registration request is rejected for any reason, including but not limited to the .EU Registry's failure or inability to contact you or your failure to respond to .EU Registry's request for supporting documentation, during the validation process.

12. No Guarantees. We make no guarantees, representations or warranties that your proposed registration request for a domain name will be accepted by .EU Registry. You acknowledge and agree that the proposed registration request for a domain name(s) submitted by Network Solutions to .EU Registry domain name may fail or be rejected by .EU Registry for any number of reasons, including, but not limited to, the fact that your proposed registration request for a domain name was not first in time. You acknowledge and agree that the successful registration of a pre-registration request during the sunrise period will depend upon a number of different factors that Network Solutions cannot predict or control.

13. Acknowledgment of .EU Registry Policies and Rules. The registrant acknowledges having read and understood and agrees to be bound by the terms and conditions of all of the policies or rules (collectively ".EU Policies") that are posted or referred to on the .EU Registry's website. You agree to comply with any and all current and future .EU Policies at any and all times. You agree that, by maintaining any service related to your pre-registration request (and, if applicable, your actual domain name registration) after such posting of any new or amended .EU Policies, you have agreed to the terms and conditions of the same and will be bound by such terms and conditions. You acknowledge that if you do not agree to the amended or new .EU Policies, you may terminate this Agreement. We will not refund any fees paid by you if you terminate your Agreement with us.

14. Registry Actions or Inactions. Our ability to provide services to you depends in part upon the provision of services by third parties, such as the .EU Registry. We cannot control and will not be responsible for the actions or inactions of such third parties. You acknowledge and agree that we shall not be liable to you or any other party in connection with claims, damages, losses, expenses or costs incurred or suffered by you as a result of actions taken or not taken by third parties, including, but not limited to, the .EU Registry (for example, the .EU Registry reserves the right to suspend, reject, deny or revoke any domain name registration for a variety of reasons, none of which Network Solutions can control).

15. Accurate Information. As a part of your pre-registration, you agree to submit the accurate and reliable information, including but not limited to, contact details of at least one natural or legal person responsible for the technical operation of the domain name that you are requesting. The submission of inaccurate information shall constitute grounds for rejecting a pre-registration request or proposed registration request or suspending, terminating or deleting the rights to register a domain name. Without limiting the other provisions of the Agreement, your provision of inaccurate or unreliable information, or your failure promptly to update information provided to Network Solutions shall constitute a material breach of this Agreement and shall be a basis for cancellation of the domain name(s) applied for hereunder.

16. Application Submission. You acknowledge and agree that Network Solutions (as the parent company) will be submitting your .EU proposed registration request to the .EU Registry through Network Solutions Europe, LLC, and that all pre-registration requests submitted by you hereunder will be submitted by Network Solutions Europe, LLC on or after the go-live date.

17. No Guarantee on Registration. The .EU Registry, and not Network Solutions, determines the dates and times associated with the various sunrise and open registration periods available for the .EU TLD. You agree to review and become familiar with the information available on our website and on .EU Registry website concerning the various periods and descriptions of services available in connection with .EU TLD, and to regularly check for modifications and/or updates to such information, as the same may change from time to time. You agree that you are solely responsible for applying and/or registering for the service periods you desire to participate in. You acknowledge and agree that submission of a proposed registration request for a domain name(s) or any other services (regardless of when submitted), does not guarantee that you will ultimately be the registrant for any particular domain name.

18. Registration Approval. You understand that any successful registrations that are approved by the .EU Registry shall not start until at least the completion of the sunrise period.

19. Disclaimer Concerning Intellectual Property Protection. Your pre-registration request related to the .EU Registry's sunrise period, and any domain name registration (whether or not related to the sunrise period) DOES NOT PROVIDE YOU WITH ANY INTELLECTUAL PROPERTY PROTECTIONS, RIGHTS OR REGISTRATIONS.

20. Limitation of Liability. IN ADDITION TO THE TERMS SET FORTH ABOVE, THE FOLLOWING TERMS SHALL APPLY TO THOSE CUSTOMERS WHO PURCHASE THE REGISTRATION SERVICE WITH .EU TLD:

29. Description of Service. Network Solutions is providing a service whereby its Customers are given the opportunity for the use, benefit and enjoyment of a .EU domain name. This service ("Registration Service") is offered in conjunction with a Network Solutions partner ("Partner") whereby the Partner serves as the Registrant for the .EU domain name ("Registered Domain") and licenses the use of the Registered Domain to a Network Solutions Customer. Sections 1-28 above apply to Customers that purchase the Registration Service in the same manner as if such Customer was the Registrant for the Registered Domain.

30. License Agreement. You agree that in addition to the terms of this Agreement, you also have reviewed and agreed to the license ("License Agreement") between you and the Partner that is found at www.snnsllicenseagreement.com. You are obligated to comply with all of the terms in both this Agreement and the License Agreement. Your failure to meet the terms either in the License Agreement or this Agreement may be grounds for terminating one or both agreements.

31. Paid License. You agree that Partner grants you a non-transferable license for: (i) the sole use of the Registered Domain provided that such use at all times fully conforms with this Agreement and the License Agreement and (ii) all use, benefits and enjoyment of the Registered Domain provided that such use complies with the terms of this Agreement and the License Agreement.

32. Rights and Obligations Under License. You agree that at all times Partner will be the Registrant of each Registered Domain through the Registration Service that you purchase. You agree and acknowledge that all information listed for the .EU WHOIS regarding the Registered Domain will be that of the actual Registrant, the Partner, with the exception of the contact e-mail address. You agree that you will supply the contact e-mail address to be listed in the .EU WHOIS for the Registered Domain. At all times you shall keep this e-

mail address current and actively monitor the e-mail address for e-mail communications from Network Solutions, the Partner, the .EU registry, or other third parties. You agree that your failure to keep the e-mail address current and to adequately monitor e-mail communications shall be grounds for immediate termination of this Agreement and suspension or revocation of your Registration Service.

33. Registered Domain and Registration Service Disclaimer. YOU AGREE AND UNDERSTAND THAT YOUR REGISTRATION SERVICE AND THE REGISTERED DOMAIN YOU ARE LICENSING MAY BE REVOKED, SUSPENDED, CANCELLED OR TERMINATED AT ANY TIME (i) BY NETWORK SOLUTIONS IN ACCORDANCE WITH THIS AGREEMENT, (ii) BY THE .EU REGISTRY, OR (iii) AS OTHERWISE PROVIDED IN THE LICENSE AGREEMENT. YOU AGREE THAT YOU ACCEPT AND UNDERSTAND ALL RISKS ASSOCIATED WITH THE REGISTRATION SERVICE AND SUCH REGISTERED DOMAIN AND THE RISKS THAT THE REGISTERED DOMAIN MAY BE REVOKED, SUSPENDED, CANCELLED OR TERMINATED AT ANY TIME AS DESCRIBED HEREIN. YOU EXPRESSLY AGREE THAT NETWORK SOLUTIONS SHALL HAVE NO LIABILITY OF ANY KIND TO YOU OR ANY THIRD PARTIES IF YOUR REGISTRATION SERVICE OR REGISTERED DOMAIN IS SO REVOKED, SUSPENDED, CANCELLED OR TERMINATED.

34. Personal Information. You agree you will provide accurate and current information as to your name, email address, postal address, and phone and fax numbers for each Registered Domain you license through the Registration Service. You agree to: (i) notify Network Solutions within five (5) business days regarding any changes to your personal information; (ii) respond within five (5) business days to any inquiries made by Network Solutions or Partner to determine the validity of personal information provided by you or other types of similar inquiries; (iii) respond to e-mail messages posted to your e-mail account regarding correspondence Partner or Network Solutions has received that is either addressed to or involves your Registered Domain. It is your responsibility to keep your personal information current and accurate at all times with Network Solutions.

35. Termination of License Agreement. You agree Network Solutions or Partner may terminate the License Agreement, without notice, if you fail to comply with any provision of this Agreement or the License Agreement or for your failure to pay for the Registration Services. Network Solutions may suspend or terminate the License Agreement, without notice, if Partner or Network Solutions believes that Customer has violated this Agreement or the License Agreement or in order for Network Solutions or the Partner to comply with a government regulation, law, statute, administrative agency or court order, or directive from the .EU Registry.

36. Termination for Unlawful Activity or Third Party Complaints. Network Solutions may terminate your Registration Services at any time for any activity related to the Registered Domain that Network Solutions believes may violate any federal, state, local, European Community, European Community Member State regulation or law or any court order ("Applicable Laws"). Network Solutions has the right to revoke your use of the Registered Domain under the License Agreement at any time if a third party alleges that the Registered Domain or your use of the Registered Domain infringes or violates the rights of any person or entity, or otherwise violates any Applicable Laws (whether or not such allegations are true).

37. Replacement or Refund: You agree that, subject to the limitations of liability contained elsewhere in this Agreement, Network Solutions' entire liability and your exclusive remedy in any event, with respect to any claims arising out of this Agreement shall be, at Network Solutions' sole discretion, either (i) the deletion of the Registered Domain and substitution of a new domain name in its place, or (ii) a refund of the fees paid for one year's Registration Services. You agree that Network Solution shall have no liability to you for your use of a Registered Domain(s) through the Registration Service.

38. No Money Damages: In addition to Section 7 of this Agreement on Exclusive Remedies, and except as provided in Section 37 of this schedule, under no circumstances whatsoever will Network Solutions be liable to you for any money damages including, without limitation, any lost profits, lost revenue, lost savings, or other incidental, consequential or punitive damages arising out of: (i) the use or inability to use the Registered Domain(s); (ii) the revocation, suspension or termination of your Registration Service, Registered Domain or License Agreement; (iii) your use or inability to use the Registration Service; or (iv) for any claim by any other party, even if Network Solutions has been advised of the possibility of such damages. Any claims must be brought within twelve (12) months of the date that you discovered such claim, or reasonably should have discovered such claim, or shall be waived.

39. Indemnification. In addition to Section 9 of this Agreement on Indemnification and Section 21 of this Schedule, you agree to indemnify and hold Network Solutions, its affiliates, parents, subsidiaries, employees, directors, officers, successors, assigns, distributors and anyone else associated with Network Solutions, harmless from, and against, any and all claims, liabilities, costs, damages, or expenses, (including attorneys' fees) asserted against Network Solutions arising out of your use or inability to use the Registration Service or Registered Domain(s) or in connection with any breach of any of the terms of this Agreement or the License Agreement.

40. Correspondence Forwarding. You agree that the Partner's name, postal address and phone number will be listed in the .EU WHOIS directory for the Registered Domain, as the Partner will be the registrant for

the Registered Domain. You agree that Partner and Network Solutions will review and forward, upon your request, communications addressed to your Registered Domain that are received via certified, registered or traceable courier mail (such as UPS, Federal Express, or DHL). You authorize Partner or Network Solutions to return to sender all mail that is marked "First Class Mail." You acknowledge and agree that Partner or Network Solutions will not forward to you first class postal mail (other than legal notices), "junk" mail, bulk mail, or other unsolicited communications (whether delivered through fax, postal mail or telephone), and you further authorize Partner or Network Solutions to either discard all such communications or return all such communications to sender. You hereby waive any and all claims arising from your failure to receive communications directed to your Registered Domain but not forwarded to you by Partner or Network Solutions. In instances when Partner or Network Solutions receives certified or traceable courier mail or legal notices addressed to your Registered Domain, Partner or Network Solutions will post an email message to your e-mail account that is listed as the contact for the Registered Domain notifying you of receipt of mail. The e-mail message will identify the sender of the correspondence that has been received by Network Solutions or Partner, the date such correspondence was received, and a brief description of its contents. You agree that you will have five (5) days to request to have the correspondence forwarded via e-mail in a PDF form, overnight courier or facsimile to you. You agree that if you do not respond within five (5) days of receipt of the e-mail from Network Solutions or Partner that the mail may be destroyed by Partner. You hereby waive any and all claims arising from either your failure to respond within five (5) days of receipt of the e-mail from Network Solutions or Partner or your instruction to Network Solutions or Partner not to forward mail that has been received.

41. Forwarding Fees. In consideration for (i) handling and forwarding certified, registered and traceable courier mail and certain first class correspondence, and (ii) responding to and dealing with third parties, you agree to pay Network Solutions at the time such forwarding services are provided in order to cover Network Solutions' labor and costs associated with these services. Network Solutions may change its forwarding fees at any time. Unless otherwise stated, all fees are posted (and payable by you) in U.S. Dollars. You are responsible for paying all fees and taxes associated with using Network Solutions' forwarding services. Payment shall be made by you providing a valid credit card for charge by Network Solutions, and is non-refundable. If for any reason Network Solutions is unable to charge your credit card with the full amount of the forwarding service provided, or if Network Solutions is charged back for any fee it previously charged to the credit card you provided, you agree that Network Solutions may, without notice to you, pursue all available remedies in order to obtain payment, including but not limited to, sale or licensing of the Registered Domain to a third party, and immediate cancellation of your account and all services Network Solutions provides to you. Network Solutions reserves the right to charge a reasonable service fee to cover the costs of administrative tasks outside the scope of its regular forwarding services. These include, but are not limited to, customer service issues that cannot be handled over email but require personal service, and disputes in which Network Solutions becomes involved concerning the Registered Domain. You agree that Network Solutions will and is authorized to bill these charges to the credit card you have on file with Network Solutions. Administrative fees, once charged, will be non-refundable. It is your responsibility to keep your credit card information current and accurate, including the expiration date. Failure to keep such information updated shall be grounds for termination of your Registration Services.

SCHEDULE R TO NETWORK SOLUTIONS SERVICE AGREEMENT

20 AND 100-YEAR DOMAIN SERVICE

1. **20 or 100-Year Domain Service.** When you purchase the Network Solutions 20 or 100-Year Domain Service for a new domain name registration through Network Solutions, we will initially register the relevant domain name for the maximum number of years allowed by the applicable registry. When you purchase the Network Solutions 20 or 100-Year Domain Service for a domain name that is currently registered through Network Solutions, we will initially renew the domain name for the maximum number of years allowed by the applicable registry. We will then automatically renew the domain name registration on an annual basis until you have received a total of 20 or 100 years, respectively, of registration services from us for that domain name from the date of your purchase of the 20 or 100-Year Domain Service.

2. **Non-Transferable; Non-Refundable.** You acknowledge and agree that the 20 or 100-Year Domain Service will terminate if you transfer the domain name for which you purchased the service to another registrar. You acknowledge and agree that this service, like all other services we provide, is non-refundable upon termination.

3. Other Services Affecting this Service. You acknowledge and agree that our ability to provide the 20 or 100-Year Domain Service is dependent upon, among other things, the continued registration of the relevant domain name, and that any termination of that registration (for whatever reason) will result in the termination of the 20 or 100-Year Domain Service for that registration.

**SCHEDULE S TO SERVICE AGREEMENT
CERTIFIED OFFER SERVICE**

1. **Additional Terms; Definitions.** Except as specifically noted otherwise herein, the following additional terms and conditions apply to you if you use the Certified Offer Service ("COS") in any way. As used in this Schedule, the term "Buyer" means any person or entity that uses the COS to make an Offer to a domain name registrant to transfer to such person a domain name registration through the COS. As used in this Schedule, the term "Seller" means the registrant of the domain name and its agents (including the registrant's administrative contact) that is the subject of an offer from a Buyer. The domain name that is the subject of the COS is referred to in this Schedule as the "Domain Name." You agree that any offer, counter-offer, and/or acceptance of either of them by a Buyer or Seller, shall be subject to the terms and conditions of this Agreement (which includes the terms and conditions of this Schedule).
2. **Purpose of Certified Offer Service; Network Solutions' Participation.** You acknowledge and agree that the COS is intended to provide the Buyer and Seller with a means through which the Buyer and Seller may be able to come to an agreement regarding the transfer of the Domain Name for the payment of a fee from the Buyer to the Seller, and to facilitate any such transfer and the associated payment from the Buyer to the Seller, all in accordance with the terms of this Schedule. You acknowledge and agree that the terms of Section 10 of this Schedule set forth the legal agreement between the Buyer and the Seller, and that you have reviewed those provisions and find them to be acceptable to you. You acknowledge and agree that Network Solutions is not the agent of and is not acting as an agent for either the Seller or the Buyer, and that the Seller will look solely to the Buyer for fulfillment of the Buyer's obligations hereunder, and the Buyer will look solely to the Seller for fulfillment of the Seller's obligations hereunder. Neither the Buyer nor the Seller will look to Network Solutions for the fulfillment of the Buyer's or the Seller's obligations. Network Solutions' role in the COS is that of sending communications from the Buyer to the Seller and the Seller to the Buyer, providing the terms of the agreement between the Buyer and Seller, receiving funds from the Buyer, processing any necessary registrar transfer, processing the registrant name change, and sending payment to the Seller, all as set forth in this Schedule. You acknowledge and agree that Network Solutions is not a broker and will not negotiate on behalf of either party. You further acknowledge and agree that nothing in this Agreement or on our Web site shall be construed to mean that the Domain Name can be or is being assigned from one registrant to another - all Domain Name transfers are completed pursuant to the terms of the Registrant Name Change Agreement that forms a part of this Agreement.
3. **Third Party and Other Factors; No liability for Failed Transactions.** You acknowledge and agree that the successful transfer of the Domain Name and the associated payment of the selling price to the Seller through the COS are dependent upon many factors that are not within the control of Network Solutions, and that Network Solutions shall not be liable for the failure of any transaction, in whole or in part (including but not limited to failure of the Domain Name to be transferred or failure of a payment to be made), where such failure is caused by the actions or inactions of the Seller (including but not limited to breach by the Seller of its obligations to you or us under the COS), Buyer (including but not limited to breach by the Buyer of its obligations to you or us under the COS) or other third party. For example, a Seller whose domain name registration is sponsored by a registrar other than Network Solutions must approve a transfer of the domain name sponsorship to Network Solutions before a transaction between the Seller and Buyer can be completed. If the Seller in that situation does not approve the transfer after agreeing to sell the domain name registration, or the Domain Name cannot be transferred because it is in a lock status or has not been registered at the current registrar for more than sixty (60) days, then the transaction cannot be completed (and no money will be paid to the Seller). For further example, where a Buyer fails to sign and return to us a required credit card authorization form (so that we can obtain funds from the Buyer) after agreeing to buy a domain name registration, then the transaction cannot be completed (and the Domain Name will not be transferred to the Buyer).
4. **Indemnification by You.** In addition to your other obligations of indemnification under this Agreement, you agree to indemnify, defend and hold harmless Network Solutions, its parent and subsidiary companies, and their respective officers, directors, members, shareholders, affiliates, agents, employees and assigns from and against any and all liabilities, claims, damages, costs and expenses, including reasonable attorneys' fees and expenses, relating to or arising out of the termination of the COS by the Seller, the Buyer or Network Solutions (where Network Solutions is permitted to so terminate under the terms of this Agreement), or the failure of any transaction whether caused by the Seller, Buyer, or Network Solutions (except where such failure is the result of Network Solutions' material breach of this Agreement).
5. **Third Party Disputes Concerning Process or Actions.** In the event the COS is terminated by Network Solutions as a result of a claim by a third party that the COS process or the actions of the Seller or

Buyer violate(s) that third party's rights, Network Solutions is authorized, but not obligated, to refund to the Buyer all funds paid by the Buyer to Network Solutions in connection with the COS and to transfer the registration of the Domain Name to the Seller, and/or "lock" the Domain Name until such time as any pending dispute concerning the Domain Name is resolved (as evidenced by an agreement between the applicable parties or an order of a court).

6. **Your Additional Representations and Warranties; Intellectual Property Rights; Our Disclaimer.** You represent and warrant that your use of the COS, including but not limited to your purchase or attempt to purchase, your sale or attempt to sell, your transfer or attempt to transfer, and your registration or attempt to register the Domain Name will not and does not infringe the rights of any third party (including but not limited to the intellectual property rights of any third party). You represent and warrant that you will take all steps necessary to fulfill your obligations under this Agreement and to complete the transaction contemplated by this Schedule. We make no representation or warranty as to the status of the Domain Name, including whether or not the Domain Name or your actions in purchasing, selling, transferring or registering the Domain Name infringes or will infringe on any other party's rights. It is your responsibility to ensure that the Domain Name and your actions do not and will not infringe on any other party's rights. Further, in addition to its other disclaimers in the Agreement, Network Solutions disclaims any liability with respect to the terms of the agreement between the Seller and the Buyer set out in Section 10, and Network Solutions makes no representation or warranty that the terms of that agreement are adequate to meet your needs or to provide you with the legal rights, protections and obligations that are best for you. If you do not wish to use the terms of Section 10 for your agreement with the Seller or the Buyer, you should not use this service.
7. **Termination by Network Solutions; No Liability.** You agree that Network Solutions may terminate the COS at any time (and at any stage in the process), without liability to either Seller or Buyer, if, at any time,: (1) the Buyer or Seller fails to fulfill any of its obligations under this Agreement; (2) Network Solutions believes the Buyer is or may be using a stolen or unauthorized credit card; (3) Network Solutions believes the Buyer or Seller may be acting in fraudulent or unauthorized manner, a manner that may subject Network Solutions to a claim by a third party, or otherwise in a manner that violates any law, Network Solutions policy, this Agreement, or any right of a third party; or (4) Network Solutions receives a complaint from a third party that the Seller or the Buyer is violating any law, Network Solutions policy, this Agreement, or any right of a third party. In the event Network Solutions terminates the COS as provided herein, Network Solutions shall have no liability to the Buyer or the Seller for such termination, and Network Solutions shall be permitted, but not obligated, to transfer the Domain Name back to the Seller as registrant and to return to the Buyer any of the Buyer's funds still in Network Solutions' possession.
8. **Terms for the Buyer.** The following additional terms apply only to the Buyer. The Buyer agrees to the following additional terms in this Section:
 - A. **COS Offer Fee; Non-Refundable; Exceptions.** You will use the COS to make an offer via email to a Seller to pay to the Seller the offer price selected by you (the "Offer Price") in exchange for the Seller's agreement to transfer the Domain Name to you through the COS. You will pay the non-refundable COS offer fee set forth on our Web site at the time you make your offer. This fee will be paid by you and is non-refundable regardless of whether or not your offer is accepted by the Seller or the Domain Name is transferred to you (but we will not charge you the fee if it is not possible to send your offer because, for example, there is no email listed for the Seller in the Whois database).
 - B. **Nature of Your Offer and Any Counter-Offers.** We will send your offer via email to the email address of the administrative contact of the registrant as reflected in the Whois database of the registrar currently sponsoring the Domain Name. You acknowledge that the information in the Whois database might not be accurate and that we have no obligation to and will not confirm the accuracy of any Whois information. Your offer will remain valid and binding on you for a period of ten (10) calendar days from the date of your offer, unless before then the transaction is terminated by Network Solutions, or the Seller accepts or rejects your offer (the "Offer Period"). You may not and will not attempt to revoke your offer during the Offer Period. Your offer will automatically terminate upon expiration of the Offer Period. If the Seller makes a counter-offer, we will send you an email containing the Seller's counter-offer price (or minimal acceptable price) (the "Seller Counter Price"), which you may accept, reject or to which you may make a counter-offer within ten (10) calendar days from the date of the Seller's counter-offer, unless the Seller's counter-offer has been terminated (the "Seller Counter Period"). If you make a counter-offer to the Seller during the Seller Counter Period, we will send your counter-offer price (the "Buyer Counter Price") to the administrative contact of record as described above. Your counter-offer serves as a rejection of the Seller's counter-offer. Additionally, your counter-offer will remain valid and binding on you for a period of ten (10) calendar days from the date of your counter-offer, unless the transaction is terminated by Network Solutions, or the Seller accepts or rejects your counter-offer (the "Buyer Counter Period"). You may not and will not attempt to revoke your counter-offer during the Buyer Counter Period. Your counter-offer will automatically terminate upon expiration of the Buyer Counter Period.
